

Posse News

March 2016

From the President:

We met as a committee, and have an outline for our 2016 budget. We still have a goal of supporting our community, and taking care of the posse building and grounds. So, with that said, as members we need to do things like sell ads for the fence. And do jobs like security at the fair. Support the activities such as poker ride this summer. And maybe have a flea market at the posse grounds. Along with support for the gymkhanas.

So let us put feelers out for other activities, and make it happen.

Thanks
Louis
