

Posse News

November 2016

From the President:

I would like to thank the members, and board members for all they have done to help in this years projects. And with the new nomination as President for 2017 , I hope they will continue to support the Mesa County Sheriffs Posse and me for another year. I personally am going to try even harder to promote activities, both new and already established ones. With the poker ride(s), and group of youth riders activity setup for possibly Rifle. Maybe we can also get advertisements on our arena fence as well. I would like to see some mounted personnel at all horse activities in Mesa County. And have more interested in the training offered at the Sheriff's Office. And we can get more people to want to join the posse. So once again, thanks to the members we have that donate their time to keep the Posse going.
Louis

The **December** meeting will include a group picture, so please come in your Posse uniform.
