Julie Campbell presented, and discussed in detail P&L reports for 2014. She had an itemized list for each of the following 3 categories: Included is the income for each.

*CPRA Rodeo \$15,713.37

*Gymkhanas \$5,436.79

*Mesa County Sheriff Posse \$8,065.19

For a total recorded income of \$29,215.35 for 2014.

Ken Sanders from SARC called today to stress again that two Posse members need to attend the SARC board meetings on the 2nd Thursday of the month at 7pm at the SO training room. The next meeting is Feb 12 and some people from the County will be there to discuss important business that all the SARC teams need to hear & pass back to everyone on their teams.

Diana Thearin will attend on Feb 12 and *one more Posse member is needed* for voting purposes.

We need 2 Posse members who will commit to attending these future meetings. Someone diligent about attending the meetings and sharing with SARC what the Posse is doing re: trainings or fund raisers etc and then in turn will share SARC business with the Posse.

The Food Drive totals were as follows:

- 6,849 pounds of bulk food
- 252 pounds of turkey, and
- \$343.00 cash was recorded!!

CPRA Finals Rodeo will be September 18th, 19th, and 20th, 2015

Rodeo ads:

Once again the Posse/CPRA will be offering a 5% incentive to Posse members for any ads sold. If anyone has any ads to turn in for the 2015 rodeo program they can either email them to Diana at HorseLadyDi@gmail.com or call me at [970-260-4625](tel:970-260-4625) to can arrange a time/place to meet. Rodeo ad forms are available at the Posse home as well as rodeo programs. Only have one box of programs is left from last year so please only take one. Please help yourself to the older programs as we have plenty of those & most ads don't change from year to year so that shouldn't be a problem. I do have most of the ads scanned into my computer already so if a member has a question re: last years' ad I should be able to help them. Most businesses have their ads in digital format already so feel free to have them email me their ad in *.pdf format and this will ensure their ad will be clean & clear for the program.

Volunteers still needed for Rodeo Positions.

This rodeo is the Posse's biggest annual fund raiser and we need the whole Posse to help organize it and make it happen. Our contract with CPRA is up this year and the Posse AS A WHOLE needs to decide if they are willing to commit their time and energy for another 5 years (or 3 or however long the CPRA decides to make their contract with us).

A horse is the projection of peoples' dreams about themselves - strong, powerful, beautiful - and it has the capability of giving us escape from our mundane existence.
